International Application No.: PCT/GB98/02941	:	

PRELIMINARY AMENDMENT

Assistant Commissioner for Trademarks  
Washington, D.C. 20231  
**Box PCT**

Dear Sir:

Prior to submission of the inventor's oath and calculation of the surcharge please amend  
the claims of this application as follows:

- 
- |    |           |   |
|----|-----------|---|
| 3. | (Amended) | A composition as claimed in <u>claim 1</u> [any of claims or 2] wherein the carrier is an aliphatic alcohol or propylene glycol.  |
| 4. | (Amended) | A composition as claimed in <u>claim 1</u> [any of the previous claims] wherein the composition comprises trimethylamine hydrochloride and 5-alpha-androst-16-en-3- $\alpha$ -ol. |
| 5. | (Amended) | A composition as claimed in <u>claim 1</u> [any of the preceding claims] wherein the composition is a liquid  |
| 6. | (Amended) | A composition as claimed in <u>claim 1</u> [any of the preceding claims] which is formulated for injection into bait.   |
| 7. | (Amended) | A composition as claimed in <u>claim 1</u> [any of claims 1-5] which is formulated as a spray.  |
| 8. | (Amended) | Plastic bait including the composition as claimed in <u>claim 1</u> [any of claims 1-5]   |
| 9. | (Amended) | Dried ground bait including a composition as claimed in <u>claim 1</u> [any of claims 1-4]  |
